December 28, 1999.

Take notice that on September 16, 1998, the Commission approved the Lower Kennebec River Comprehensive Settlement Accord. The settlement provided for the transfer of the license to the State of Maine, which would then remove the dam and conduct site restoration. The settlement was implemented under annual licenses. By letter dated December 23, 1999, staff concluded the State of Maine fulfilled its obligations to the Commission under the settlement agreement. Accordingly, upon expiration of the annual license on December 31, 1999, a new annual license is not required and will not be issued for the Edwards Project.
